# A Message From Our President

At Colorado's Women Education Foundation (CWEF) we have worked hard for 47 years to invest in women who are transforming their lives through education... for themselves, their families, and their communities. We focus on awarding scholarships to women aged 25 years and over who are attending an accredited educational institution and residing in Colorado. CWEF has adapted gracefully, over the decades refining its mission and improving its service delivery strategies.

In the continuing quest to grow and empower more women with higher scholarship amounts, CWEF's volunteer Board of Trustees is working to take our Foundation to the next level. To do this, we are looking for sponsors who will give us the financial support needed to be successful.

This year, we are asking for sponsors to help fund the hiring of an executive director and staff. Because we have awarded over \$100,000 in scholarships this year, CWEF has reached its maximum capability with its current half-time staff member, and a critical element of our vision today is to increase our ability to impact the lives of deserving women by adding these professional staff positions.

Would you be willing to help our vision with a donation? Our sponsorship levels are shown with a \$10,000, \$5,000, and \$2,500 list of benefits. We welcome any other contribution amount and will offer benefits mutually agreed upon.

Please contact me at [president@cwef.org](mailto:president@cwef.org) if you'd like to discuss our mission or you may donate at [cwef.org](http://cwef.org) and we will contact you.

Sincerely,

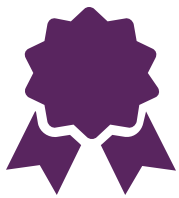

*Deborah Fischer*
