

Colorado Women’s Education Foundation Scholarship Opportunity Financial Worksheet

Gathering this information will make it easier to complete your online application.

A. Federal tax documentation

You will be required to upload a copy of both pages of your 2023 Federal IRS form 1040 showing your taxable income into the application. If you did not file a 2023 tax return, you will need to write a short explanation and upload it. (You will **NOT** upload your Colorado Tax return, W-2, or any itemized schedules.) If there are differences in anticipated income listed for 2024 and income listed on your 2023 Federal IRS form 1040, you will need to explain them.

If you have a spouse/partner and you share your income equally, plan to enter both incomes and combined household expenses in the application. If you **do not** have a spouse/partner with whom you share your income equally, plan to enter only your own income and household expenses in the application.
